

CURRICULUM COMMITTEE
November 6, 2012

In lieu of holding a Curriculum Committee meeting, information was e-mailed to members of the Curriculum Committee relative to a request from the Council of Academic Deans for the following catalog revisions: increase the limit of hours for nontraditional credit from 34 to 45 hours, remove Correspondence Credit, and add Prior Learning Assessment. The proposal was e-mailed for viewing by the Curriculum Committee members. It was requested that if members of the Curriculum Committee had any concerns with approving what was presented, they were to inform the Office of Academic Affairs by the close of business on November 6. This action is being placed in the form of approved minutes based on a vote of 11 for and 2 against.
