The world is full of languages.

How far do you have to go from your front door to know that this is true? Think about how many more people and places you could really get to know, newspapers and books you could read, movies and TV programs you could understand, Web sites you could visit with another language!

*More and more businesses
work closely with companies
in other countries.*

They need many different

kinds of workers who can

communicate in different languages and understand other cultures. No matter what career you choose, if you've learned a second language, you'll have a real advantage. A technician who knows Russian or German, the head of a company who knows Japanese or Spanish, or a salesperson who
