

ANNUAL REPORT
2013-2014

Institutional Animal Care and Use Committee

SUBMITTED TO: Dr. John G. Thornell, Vice -

Marvin. We found Dr. Marvin's lab is well maintained and adheres to federal animal care and use standards. The committee also approved Dr. Marvin's proposal, "Courtship behavior of the Pigeon Mountain Salamander (*Plethodon petraeus*)" to house additional salamanders in his facility.

The committee also approved the renewal of Dr. Ray's proposal, "General proposal for the collection of fishes."

The consulting veterinarian, Dr. Randall Smith, also approved and signed these forms.
